No one knows for sure why the Malignin strike each time the sun sets on Crearia. No one knows why those vicious, inhuman beasts battle and kill every night in their fervor to reach one innocent girl—a girl who has spent her whole life locked in a room at the end of a tunnel defended by the Blades of the Night.

But Sainte doesn't need to know. Sainte is the Shield: the last line of defense against the Malignin. And with his sword in his hands and his friends Iris and Miquel by his side, he will protect Ellie from these creatures until his dying breath.
